RE: St. Lawrence Seaway RSA Cellular Partnership (Verizon Wireless) – Application for Special Use Permit and Site Plan Review – Off County Route 178 (SBL 105.12-1-14.11)

Dear Planning Board Members:

As you will recall, discussion at the last Planning Board meeting focused on the proposed telecommunication facility being in the Corridor Overlay Zone. As a result, we are evaluating locations for a tower outside this zone that will still satisfy the coverage need.

We would request that the Planning Board table our application pending submission of further information documenting the results of the evaluation. Thank you for your consideration.

Very truly yours,

David C. Brennan
